The JET Alumni Association (JETAA) was created in 1989 to strengthen and maintain the bonds of friendship developed between JET Programme participants. It currently has 50 chapters in 16 participating home countries, and over 20,000 members. Through its activities, JETAA aims to promote a broader and deeper understanding of Japan and the countries participating on the JET Programme.

In support of JETAA, CLAIR assists with its funding, and also compiles a number of alumni-related resources including the JET Streams newsletter. All JET participants receive a Membership Form to join JETAA prior to completing their tenure on the JET Programme, and are strongly encouraged to join the JETAA chapter nearest them. For further information about JETAA or for contact details of the various chapters, check the JETAA International website at:
