Other JETaa London Events:

- ❖ **JETConnect** - This informal evening is for ex-JETs to meet each other and network over a glass of wine. It's a great chance to find out what opportunities are out there, whether you are just starting out, established in your career or looking for a change
- ❖ **Restaurant Nights** - Enjoy an evening out sampling the many Asian restaurants in the centre of London, from the quite authentic Ikkyu (Japanese izakaiya) and Asadal serving classic Korean food to a night out in China Town
- ❖ **Pub Night** - Come along for some liquid refreshment at Fluid (Charterhouse Street, London) on the first Wednesday of every month. This stylish Japanese cocktail bar is the perfect location to enjoy JET company and selections of free sushi
- ❖ **Speed dating** - One of JETaa London's best evenings. You could pay 25 quid or more for an event of this kind, so for less than £10 our JETAA night is a steal. Meet several like-minded ex-JETs and mates in one entertaining evening and you decide who you want to see again, no heartstrings attached. It all happens at The Lounge Bar on High Holborn - we can't guarantee true love but we can guarantee that it won't be boring!
- ❖ **Exclusive Movie Screening** - JETaa London offers for its members the opportunity to see exclusive previews at huge reductions of carefully selected Japanese themed films. In the past we have enjoyed films such as amongst others 'Memoirs of a Geisha' and 'Letters From Iwajima'
- ❖ **Cultural Events** - Throughout the year you will hear of great Japan related events from other organisations that JETaa enjoys good relations with, such as the Japanese Embassy, Japan Society and the Japan Local Government Centre and receive the discounts this exclusive membership provides
- ❖ Not interested in any of the above great events! Why don't you suggest something you are interested and see how your JETaa London team can help to organise it?
